William B. Ribas, Ph.D., President

**Hopedale, Northbridge, Mendon-Upton, and Uxbridge, Train the Trainer
Program for Social Emotional Learning in the Classroom**

In-district Trainer Training to Develop In-district Capacity to Train and Coach Staff in the Concepts found in the Book *Social-Emotional Learning in the Classroom*. The trainers will receive four full days of training from the Ribas Associates trainer that will enable them to train others during faculty meetings, PD time, and to act as coaches. The districts may each assign 6 trainers for a total of 24 trainers. The districts will receive a copyright letter giving them permission to use the training powerpoint, activities, videos, copy the training handouts, and train an unlimited number of Hopedale, Mendon-Upton, Uxbridge, and Northbridge staff¹.

The group will designate one district as the financial agent and the other districts will reimburse that district. The districts will also designate one district to work with the consultant and coordinate the scheduling.

Costs:

1. 4 full days of trainer time would be \$6400 (\$1600 a district).
2. The district will purchase a copy of the book *Social-Emotional Learning in the Classroom* at the discount price of \$31.95 for each in-district trainer and at least one copy for each school for the professional library in the school.
3. The district will either pay \$4 a person for the handout packet or assign one of the districts to copy the handouts from a master provided by the trainer. As noted above, when the district rolls out the training, they each copy their own handouts at no cost.
4. 10% shipping and handling
